

**Galaxy's market share climbs to over 20% in January  
"Jinmen" of StarWorld Hotel to Open on 1 March**

**Feb 9, 2007**

(Hong Kong - 9 February 2007) Galaxy Entertainment Group Limited ("Galaxy" or "the Group") (stock code: 27) has substantially increased its market share in Macau. In terms of gaming revenue, as in January 2007, the Group held over 20% share of the market. StarWorld Hotel and Casino ("StarWorld") also reported outstanding performance and plans to open its high-limit gaming floor "Jinmen" on 1 March, and expects to further boost the Group's market share.

**StarWorld Hotel and Casino**

StarWorld Hotel and Casino, the flagship project of Galaxy, has enjoyed tremendous market response since its opening. It received on average 20,000 visitors a day, and 30,000 during peak periods. These numbers represent one third of the total number of visitors to Macau. This shows that StarWorld has successfully created the brand and become the must-visit destination for visitors from Hong Kong, Mainland China and other regions in Asia.

The VIP rooms of StarWorld have yielded phenomenal results since their opening in November last year. Currently, StarWorld has 36 VIP tables operating and aims to increase to over 50 in the near future. Its VIP room business reported phenomenal turnover exceeding HK\$10 billion in January. The 169 mass gaming tables, also experienced significant growth. The occupancy rate of StarWorld Hotel was ahead of target with the average rate at over 85%, and its rooms are fully booked in the forthcoming Chinese New Year period.
