### **Galaxy Entertainment Finance Company Limited Announces the Commencement of Tender Offers for the Guaranteed Senior Floating Rate Notes Due 2010 and the 9.875% Guaranteed Senior Notes Due 2012**

December 2, 2008 – Galaxy Entertainment Group Limited (HKSE: 0027) (“Galaxy Entertainment”) today announced that Galaxy Entertainment Finance Company Limited (the “Issuer”), a subsidiary of Galaxy Entertainment, has commenced tender offers (the “Offers”) to purchase for cash (i) any and all of its US\$250,000,000 Guaranteed Senior Floating Rate Notes Due 2010 (the “Floating Rate Notes”) and (ii) up to US\$100,000,000 in the aggregate principal amount of its outstanding US\$350,000,000 9.875% Guaranteed Senior Notes Due 2012 (the “Fixed Rate Notes”, and together with the Floating Rate Notes, the “Notes”). The purchase price payable by the Issuer for the Floating Rate Notes is US\$530 per US\$1,000 principal amount of the Floating Rate Notes (the “Floating Rate Total Consideration”), and the purchase price payable by the Issuer for the Fixed Rate Notes will be determined through the Modified Dutch Auction procedure. The maximum aggregate principal amount of Fixed Rate Notes that may be purchased by the Issuer under the Offer for the Fixed Rate Notes is US\$100,000,000 and is referred to as the “Fixed Rate Offer Amount”.

Under the Modified Dutch Auction procedure, the Issuer will determine a single purchase price (the “Fixed Rate Total Consideration”) between US\$375 and US\$450 per US\$1,000 principal amount of the Fixed Rate Notes, that the Issuer will, subject to the terms and conditions of that Offer, pay for Fixed Rate Notes validly tendered and not withdrawn pursuant to that Offer, which will enable it to purchase the Fixed Rate Offer Amount (or, if less than the Fixed Rate Offer Amount is validly tendered, all Fixed Rate Notes so tendered). If the principal amount of Fixed Rate Notes validly tendered on or prior to the Expiration Date (as defined below) at or below the Fixed Rate Total Consideration exceeds the Fixed Rate Offer Amount then, subject to the terms and conditions of that Offer, the Issuer will accept for payment such Fixed Rate Notes that are tendered at or below the Fixed Rate Total Consideration on a pro rata basis from among the tendered Fixed Rate Notes.

The funds required for the Issuer to consummate the Offers will be funded from internal resources of the Issuer’s group. The Issuer will also pay accrued and unpaid interest on purchased Notes up to, but not including, the date of payment. The Notes are listed on the Singapore Exchange Securities Trading Limited. The maximum aggregate amount payable by the Issuer’s group under the Offers (exclusive of related expenses and inclusive of accrued interest on the Notes purchased pursuant to the Offers, assuming payment is made on January 2, 2009) is approximately US\$180 million.

The Offers and proration period will expire at 12:00 midnight, New York City time, on Monday, December 29, 2008 (the “Expiration Date”), unless the Offers are extended. An appropriate announcement will be made if and when either Offer is extended. The withdrawal rights will expire at 6:00 p.m., New York City time, on Friday, December 12, 2008 (the “Early Tender Date”), unless they are extended.

Holders of Notes that validly tender their Notes prior to the Early Tender Date and do not validly withdraw their Notes, and to the extent their Notes are accepted for payment, will receive the Floating Rate Total Consideration or the Fixed Rate Total Consideration, as applicable, in each case, plus accrued and unpaid interest thereon to, but not including, the date of payment. Holders of Notes that validly tender

after the Early Tender Date but on or prior to the Expiration Date will receive the Floating Rate Total Consideration, or the Fixed Rate Total Consideration, as applicable, in each case, less an amount equal to US\$30 for each US\$1,000 principal amount of Notes, plus accrued and unpaid interest thereon to, but not including, the date of payment.

The purpose of the Offers is to reduce the principal amount of our outstanding indebtedness and our ongoing debt service obligations.

The terms and conditions of the Offers are set forth in the Offer to Purchase by the Issuer, dated December 1, 2008. Neither Offer is conditional on a minimum principal amount of Notes being tendered in that Offer. The consummation of each Offer is subject to certain conditions, which are described in the Offer to Purchase that is being sent to holders of Notes. Subject to applicable law, the Issuer may, in its sole discretion, waive any condition applicable to an Offer or extend or terminate or otherwise amend an Offer.

Merrill Lynch & Co. is acting as sole dealer manager (the “Dealer Manager”), and Bondholder Communications Group is acting as information and tender agent (the “Information and Tender Agent”) in connection with the Offers. Copies of the Offer to Purchase and related documents may be obtained from the Information and Tender Agent at [www.bondcom.com/galaxy](http://www.bondcom.com/galaxy). Galaxy Entertainment and the Issuer have agreed to indemnify the Dealer Manager, on a joint and several basis, for any losses incurred by the Dealer Manager and its affiliates relating to, arising out of, or based on the performance of the Dealer Manager’s obligations with respect to the Offers or in connection with the Offers (except for losses resulting from the Dealer Manager’s gross negligence or bad faith).

THIS PRESS RELEASE IS NOT AN OFFER TO PURCHASE, A SOLICITATION OF AN OFFER TO PURCHASE, OR A SOLICITATION OF AN OFFER TO SELL, NOTES. AN OFFER MAY ONLY BE MADE PURSUANT TO THE TERMS OF THE OFFER TO PURCHASE.
