

## **Company Statement**

It has recently come to the attention of Galaxy Entertainment Group (“GEG”) that a company in China had published a press release through its official social media account that it had conducted a meeting with a person who alleged to be the “Director and President of Operations of Macau Galaxy Entertainment Group” (“澳門銀河娛樂集團董事兼運營總裁”), and that the said person had shared the business development plans that “Macau Galaxy Entertainment Group” (“澳門銀河娛樂集團”) had in China.

GEG wishes to clarify that the said person is not an employee or a representative of GEG. GEG has no association or connection with the said Chinese company and/or the said person who alleged to be the “Director and President of Operations of Macau Galaxy Entertainment Group” (“Parties”). In addition, GEG did not authorize the subject Parties to issue any press release on behalf of GEG.

GEG considers the subject Parties have infringed GEG’s reputation and image by misleading third parties to falsely believe that the purported person is a GEG executive member and that the said Chinese company has partnership or association with GEG. GEG hereby reserves all its rights and remedies in this matter.
