

GEG Co-Hosts the “GEG Macau Special Olympics Inclusive Table Tennis Fun Day 2026” with MSO for 16 Consecutive Years

March 29, 2026 – Since 2011, Galaxy Entertainment Group (“GEG”) has partnered with the Macau Special Olympics (“MSO”) to co-host the “GEG Macau Special Olympics Inclusive Table Tennis Fun Day” to promote an inclusive culture within the community. This year, coinciding with the “ITTF Men’s and Women’s World Cup Macao 2026 Presented by Galaxy Entertainment Group” (“ITTF Men’s and Women’s World Cup Macao”), to be held from March 30 to April 5 at the Galaxy Arena, and with the support of the International Table Tennis Federation (“ITTF”), GEG and MSO jointly hosted the “Celebrating ITTF Centenary – GEG Macau Special Olympics Inclusive Table Tennis Fun Day 2026” (“Fun Day”) today, attracting nearly 1,000 participants. In the lead-up to the Fun Day, a series of inclusion workshops were held at local schools, providing students with opportunities to explore the values of inclusivity while building excitement ahead of the world-class tournament.

The opening ceremony of the Fun Day was held at the East Square of Galaxy Macau™ this morning, with distinguished guests including Mr. Chen Kun, Level IV Division Rank Official of the Department of Social Development of the Liaison Office of the Central People's Government in the Macau SAR; Mr. Chan Hoi Fong, Acting Head of Sports Development Department of the Sports Bureau of the Macau SAR Government; Mr. Wong Chun Kit, Member of the Legislative Assembly of the Macau SAR Government; Mr. Bart Vermoesen, ITTF Event Director; Ms. Annie Loi, Vice President of Corporate Social Responsibility of Public Relations of GEG; Dr. Sze Tat Ming, Chairman of MSO; Ms. Chow Pui Leng, Director of the Centre of Psycho-pedagogical Support and Special Education of the Education and Youth Development Bureau the Macau SAR Government; Mr. Lao Kit Man, Rehabilitation Case Service Unit of Social Welfare Bureau of the Macau SAR Government; and Mr. Hetzer Siu, National Director of MSO.

Mr. Bart Vermoesen, ITTF Event Director, said, “It is a privilege to be here celebrating our centenary year alongside GEG and MSO. Sixteen editions of this event is a testament to their real, sustained commitment to inclusion. Table tennis is one of the most accessible sports in the world. Over 100 years, we have grown into a global family, and events like this remind us exactly what that means. Table tennis for all, for life.”

Mr. Hetzer Siu, National Director of MSO, said, “We sincerely appreciate GEG’s unwavering support in promoting inclusive values and fostering community harmony. We also thank the representatives from the ITTF for their presence, which connects our local initiative with a century-long international sporting legacy. We believe that sports is an important platform for advancing equality and inclusion, and remain committed to helping shape Macau into a warmer, more diverse, and cohesive community.”

Mr. Buddy Lam, Director of Corporate Affairs of GEG, said, “Over the years, GEG has not only actively hosted major international sporting events, but also leveraged our resources to strengthen the connection between sports and the community through diverse initiatives. This year marks the 16th consecutive year of our support for this meaningful event. With the trust and support of ITTF and MSO, and riding on the momentum of the ITTF Men’s and Women’s World Cup Macao, the Fun Day further amplifies its impact by integrating local elements of inclusivity, thereby promoting the spirit of unity and inclusivity within the community.”

The Fun Day featured a series of table tennis matches at the Broadway Macau™, providing a platform for athletes of different abilities to compete, interact and exchange experiences. This year, a new “Caregivers Challenge” was introduced to encourage parents and caregivers of individuals with special needs to take part, further expanding opportunities for diverse participation. In addition, GEG arranged for members of the GEG Staff Social Club’s Table Tennis Team to team up with MSO athletes in the “Inclusive Doubles”, actively promoting the spirit of inclusion through teamwork and mutual support. The event also featured a variety of interactive game booths incorporating table tennis elements, allowing participants to engage with the sport in a fun and accessible way.

This year, the event was extended into local schools for the first time. Through GEG’s Inclusive Creative Arts Projects for “Empathy in Action”, GEG joined hands with MSO to launch the “DIY Table Tennis Ball Night Light Inclusive Workshop” across several schools, engaging nearly 80 teachers, students, and individuals with special needs. Together, participants created ping pong ball night lamps themed around “Celebrating ITTF Centenary”. Following an online voting process, the creations were showcased and award-winning entries were recognized at the Fun Day. Looking ahead, GEG will continue to leverage its resources to actively organize and support a diverse range of sporting activities, working with partners across different sectors to promote an inclusive culture in the community.
