Mr. Wong said, “To move forward the community’s promotion of teenage gambling and substance abuse prevention, we need the support and participation of all stakeholders. We thank GEG for being the first gaming operator to support our new service, and we thank GEG for showing care and concern for teens with special needs. We look forward to building a long-term partnership with GEG, and to develop a one-stop addiction prevention and recovery service in Macau.” GEG fulfills responsible gaming pledge and became the first gaming operator to be recognized as a “caring partner for teens” by BYS.
