This year, GEG marked its 23rd consecutive year of support for Tung Sin Tong's annual fundraising campaign with a donation of MOP700,000 to support its charitable initiatives and community services.

Today, delegates from Tung Sin Tong, including Chairman Mr. Chui Sai Peng; Vice Chairman Mr. Ma Iao Iao; and Directors Ms. Agnes Fok, Mr. Victor Armando Fung and Ms. Lilian Jong Lai Ching, visited GEG. They were warmly received by Mr. Francis Lui, Chairman of GEG; Mr. Buddy Lam, Director of Corporate Affairs of GEG; Mr. Andrew Lui, Head of Project Development of GEG; Ms. Linda Wong, Assistant Senior Vice President of Public Relations of GEG; and Ms. Annie Loi, Vice President of Corporate Social Responsibility of Public Relations of GEG, and were presented with a MOP700,000 donation cheque. During the visit, the two parties also exchanged views on the development of Macau's charitable sector and community services.

Since 2004, GEG has donated more than MOP11 million to Tung Sin Tong. Beyond financial support, GEG has continued to provide students, teachers and service users from Tung Sin Tong with opportunities to participate in a diverse range of cultural, sports and community activities, including inviting them to attend the upcoming "73rd Macau Grand Prix", promoting community engagement and exchange. This year, through its "GEG Music for Community" initiative, GEG co-organized the "In Tune with Children" School Music Workshop with the Macao Orchestra at the kindergarten and primary sections of Escola Tong Sin Tong, enabling students to experience the charm of music and the arts firsthand. GEG also invited its members, teachers and students to attend various entertainment performances, as well as the "ITTF Men's and Women's World Cup Macao 2026 Presented by Galaxy Entertainment Group", among other events. Looking ahead, GEG will continue to uphold its corporate social responsibility philosophy of "Community at Heart, Empathy in Action", and work closely with local charitable and social service organizations to support the needs of different community groups and contribute to building an inclusive community.
