GEG Garners the "2025 Greater Bay Area Most Influential Award"

November 3, 2025 – Galaxy Entertainment Group ("GEG") received the "Greater Bay Area Most Influential Award" at the 9th Global Greater Bay Area ("GBA") Sustainable Development Economic & Trade Forum cum 2025 GBA Annual Most Influential Awards Presentation Ceremony held in Hong Kong recently, marking GEG as the first integrated tourism and leisure enterprise to receive this accolade. Mr. Philip Cheng, Director of GEG, attended the ceremony and accepted the award on behalf of the company.

During the ceremony, Mr. Philip Cheng stated that, "GEG has consistently upheld the philosophy of 'World Class, Asian Heart', striving for excellence in every endeavor. Our flagship property, Galaxy Macau™ integrated resort, has garnered numerous international and regional accolades. Together with the Galaxy International Convention Center ("GICC") and Galaxy Arena, GEG has actively hosted a diverse array of entertainment performances, sports, cultural and artistic events in recent years, earning widespread acclaim from tourists and the public. Looking ahead, GEG remains steadfast in its pursuit of excellence and is committed to contributing to the high-quality and sustainable development of the GBA."

As a patriotic Chinese enterprise deeply rooted in Macau, GEG has actively supported the overall development of the integrated tourism and leisure industry through concrete actions. By continuously introducing diverse and innovative integrated tourism and leisure facilities and services, GEG has earned widespread recognition from stakeholders, and established itself as a leading force in the industry among the GBA. GEG's flagship property, Galaxy Macau integrated resort, brings together nine international premier hotel brands, over 120 dining options, the world's leading skytop water oasis – Grand Resort Deck, a Galaxy Promenade housing over 200 international luxury brands, and multiple award-winning five-star spa facilities. With the launch of Phase 3, which includes the GICC, Galaxy Arena, and two world-class hotel brands – Raffles at Galaxy Macau and Andaz Macau, along with the Capella at Galaxy Macau, which is currently in trial operations, GEG continues to contribute to Macau's "1+4" appropriate diversification development strategy, enriching the city's connotation as a "World Center of Tourism and Leisure". Upholding the philosophy of "What is taken from the community is to be used for the good of the community", GEG also actively promotes the sustainable and positive development of the community through various initiatives.
