

## **GEG Donated Over 600 Duvets to Local Charities**

**August 20, 2015** – As an active and responsible member of the community, Galaxy Entertainment Group (“GEG”) is dedicated to contributing to the community and continuously encouraging team members to spread their love and care to the underprivileged. Consequently, GEG has collected and donated over 600 duvets to charitable organizations for the betterment of the underprivileged this winter.

GEG volunteers visited and donated more than 600 duvets to four charitable organizations including the Happy Market of the Fuhong Society of Macau, Good Fortune Charity Shop of Caritas Macau, General Union of Neighborhood Association of Macau and the Women’s General Association of Macau, hoping to bring care and love to those in need.

All four charitable organizations expressed their gratitude to GEG for the donation. Fuhong Society of Macau will deliver a number of the duvets to elderly centers and schools in Mainland China to warm their hearts for the coming winter. Staff of Fuhong Society said, “GEG not only helped those in need here, but they also spread their love and care to the Mainland.” Good Fortune Charity Shop of Caritas Macau will re-sell the duvets to the underprivileged at a discounted price to ease their cost of living pressure and achieve the goal of sharing resources among the community. Furthermore, some of the duvets were donated to community centers for the elderly and the center’s daily use.

Upholding the philosophy, “what is taken from the community is to be used for the good of the community,” GEG proactively engages in social services to give back to the community. Moreover, GEG encourages team members to reach out to the community through organizing a variety of charity visits and activities and will continue to strive for the sustainable development and harmonious future of Macau.
